***Response Pursuant to 37 CFR §1.111***

This response is in reply to the non-final office action of June 11, 2007. As the present response is being filed within the three month shortened statutory period for reply, no extension of time is believed necessary. However, Applicants conditionally petition for any necessary extension of time to provide for the possibility that the need for such an extension has been inadvertently overlooked.

Applicants appreciate the Examiner's thorough examination of the subject application and request reexamination and reconsideration of the subject application in view of the following:

- Amendments to the Claims, beginning on page 2 of this paper; and
- Remarks, beginning on page 11 of this paper.
